FOUNDATION

Hampton Rovers Amateur Football Club first started as an organised activity for the First Hampton Scout Group by Norm (Boss) James in 1918. The Scout Group's main theme was to promote football as a team game and encourage self confidence, self control and a desire to improve a player's ability. This is similar to the current philosophy used by Hampton Rovers today.

Initially, games were played socially against other Scout Groups and then in the Association Sub-district competition. But, as the incentive to play a higher standard became apparent, another competition was sought and in 1933 Hampton Rovers was accepted into the Metropolitan Amateur Football competition which later became the Victorian Amateur Football Association.

In 1963 the Club moved from the Ludstone Street ground to the corner of David Street and Bluff Road, our present home. In 2002 this ground was formally named the "Boss James Reserve" in memory of our founder.

In 1979 the Club started its youth policy by introducing junior teams in an effort to provide an extensive link with the local community and to provide a development scheme for our senior side. Since 1979, 35 junior premierships have been won, including three this season: U16, U13East & U12West.

The Rovers have won seven senior premierships, and were the first club to win premierships in each of the four sections, including the 'A' Section flag in 1951. Nine reserve and seven under 19 premierships have also been won by the club.

Three senior and sixteen junior sides represented the Rovers in 2007, equating to 470 registered players, plus 125 kids participating in Auskick, making the Rovers one of the largest Australian Rules Football clubs.

2007 LIFE MEMBER INDUCTEE

JASON CAVE

Jason Cave is a deserved recipient of a Hampton Rovers Amateur Football Club Life Membership. Jason is one of the most loyal supporters at the club and has met the criterion of 10 years of outstanding service by the way of the length of time he has been the club's interchange steward. For over 10 years, Jason has done this important job week-in week-out for the Seniors, Reserves, Under 19's, and Finals when required. Finding people to volunteer for the many jobs every week is a tough task, however you always know Jason will be ready for his job and it's one less job we need to worry about. The club greatly appreciates the help of the many volunteers, Football Club's simply cannot run without them, and we thank Jason for his many years of dedication to the Green and Gold.

2007 SPONSORS

Football Club's cannot survive without the generous support of its sponsors. The Hampton Rovers AFC is grateful for the support of its many sponsors, and look forward to the continued support in the future.

SENIOR PRESIDENT'S REPORT

I am pleased to present members with my report for the 2007 football season. The club this year used its position in the community to great effect by helping one of its long standing members, Joel Day, through a challenging period of his life. Not only did the club serve to help Joel, but we managed to connect with a vast array of people who were previously associated with the Hampton Rovers Amateur Football Club. Our club is an important community asset and the support for both of our charity events this year clearly displayed the potential role that we can play in the community. As president, the success of both "A Good Day's Night" and "Cocktails for a Cause" is one of the achievements of which I am most proud. We also embarked on some minor refurbishments at the club and I am proud to say that the Don Scarlett Bar is a major improvement to the interior of the club.

Football Operations

Football clubs are about playing football and the 2007 season, whilst being tinged with disappointment, was a very successful year for the club. This year saw the introduction to the club of Gary Sheldon as the new senior coach and Richard Bulmer as the new Reserves coach. The season also saw the arrival of a new crop of players that bolstered an already promising list. It is with delight that I report that we achieved one of our main goals of this season and returned the club to C-grade after spending only one season in D1. Our aim of taking home the D1 premiership was thwarted by a team who were, in my opinion, more mentally and physically prepared on the day. That we were a match for them on the field was demonstrated by the results of our previous encounters. I believe that the foundations laid down this year by the coaching staff will put us in good stead to be a more than competitive C-grade team next season.

The U19 team was successfully coached again by Cameron McGregor. Like the senior team, the U19's could not get over the final hurdle and win the premiership, but the effort and application displayed throughout the year by the whole team is a testament to the quality of individuals that are the future of the club. A special mention must go to Kyle Pinto, who won the U19 competition Best and Fairest award. With players of the calibre of Kyle coming through the club, we can feel confident of future successes.

I would implore all current players to embrace the challenge of C-grade in 2008 with the same vibrance and enthusiasm that was displayed at the beginning of the 2007 season, so that we may realise our potential and achieve our long term aim of establishing the club as a consistent upper grade amateur force.

The appointment of Marc Stafford as the pre-season fitness trainer for this season was a key factor in our success this year and I am proud to announce that Marc will be committing himself to the task again for the 2007/2008 pre-season.

A number of initiatives were mooted throughout the year that were designed to bolster the club's ability to attract new players. One highly successful move was to run a stall at the St Leonard's College fete. I believe that this move will strengthen

ties with the school and facilitate the transition of players from the school and in to our ranks. We have many close ties with St Leonard's and the club's future is dependent on such local community connections.

I would like to thank all players and supporters who aided the football component of the club this year. The support and feeling generated throughout the year was tremendous and augers well for a bright football future.

Special mentions must go to the following people for their efforts this year: Kevin Marks, Steve Guy, Graham Carr, Roger Yelland, Ian Cave, Jase Cave, Athol Porter, Adam Ross.

Sponsors

The Club is very fortunate to have a large group of very loyal and generous sponsors without whom the Club could not survive. I would like to extend our sincere thanks to you all but in particular to our major sponsor in **Buxton Real Estate. Gavan Fallon** and **Bill Jowett** have made a significant contribution to the club for a number of years and, prior to the commencement of the 2007 season, agreed to be the club's major sponsor for the next three years. Your generosity is greatly appreciated.

All club sponsors can be found on our web site and a full list is also provided here in the Annual Report. If we are looking for any goods or services provided by our sponsors, it is important that we return their generosity by availing ourselves of those goods or services. **It is important that sponsorship be seen as a two-way process.** Many thanks to **Steve Helliger** for the excellent job he did again this year in attracting sponsors to the Club.

Committee

I also extend my thanks to each and every member of the senior committee for their commitment this year. Being President, while having arduous demands of its own, is only a minor part of a much larger vehicle that drives the off-field mechanics of the club. The senior committee work tirelessly throughout the year to facilitate both the football and social aspects of the club. Special mention must be made of Mike Lake, without whom my job would have been nigh impossible. Mike is a great asset to the club and I truly hope he continues to contribute his efforts in to the future. Cam Voss stepped up to the plate this year on the committee after years of behind the scenes work on the club website. I would like to thank Cam for his work and commitment to the club this year.

I propose to stand down from the Presidency this year. Outside commitments need more attention than I can give while being the president of the club. I will remain on the committee and am looking forward to 2008.

Further Appreciation

I would also like to thank the following people for their assistance during the year: -

Cath Campion – For her excellent work with the canteen

Rebecca Wolfe – Assistance with canteen and bar

Ian Cave – Registrations and timekeeping

Don Scarlett – Lunch MC and Domino's Lunch organiser

Don McGregor – Thursday night bar

Cam Voss – Web site manager, vote count presentations and much more

Dallas Voss – Ground marking

Alison Witherow – Preparation of all financial reports

Jim Westhead – Chairman of the board

Bayside Council – For its continued support and assistance

I have probably forgotten to thank someone and if that is the case please accept my apology.

Let's all get behind the new committee, the coaching staff and the players and ensure that the Club has a very successful 2008 season.

WEBSITE REPORT

2007 has been yet another fantastic year for the Hampton Rovers website. After website traffic almost doubled last year, the trend continued this year with a 85% increase in visits to the site. Up to the end of October, the site was visited a total of 198,730 (compared to 108,117 in '06 and 63,702 in '05) and a total of 869,342 pages were viewed (compared to 610,205 in '06 and 391,557 in '05). There are now 816 online members who enjoy full access to the site include game and goal stats for all the 500+ players and receive the weekly club newsletter. I'm proud of the fact that we continue to have one of the leading club websites going around. It's certainly a goal of mine to ensure this continues to be the case into the future. With this in mind, several updates will again be made in preparation for the 2008 season. This year the basic layout of the site was maintained with a number of new features including improved site search powered by Google and a RSS news feed, we were also treated to quality match-day photos of senior games thanks to Berk McGowan. I would like to thank everyone for their input including Marie Turner (junior fixtures/results) and Paul Pavlou (junior game/goal stats).

COACHES AWARD <i>Sponsored by: Mike Lake</i>	Gerrard Woods

With a very up and down start to the season, winning only two out of the first six games. The season as not looking too good, but staying positive and the belief I had in the playing group, it was only a matter of time. Finishing the season with 10 wins out of the last 12 games.

The finals performance by everybody involved was outstanding, only to stumble at the final hurdle. But at least we still achieved our aim, which was to get promoted back into C Grade.

Firstly, I would like to thank the playing group. I don't think you could find a better group of players to be associated with. Hopefully the guys will stick together and play again in season 2008, along with new recruits to the club and the Under 19's coming up to senior level. No doubt we can have another successful season in 2008.

To the leaders, Matt Lawrence as captain, as well as the leadership group, thanks.

To Marc Stafford, thank you for all your help over the pre-season. You did a fantastic job. Next season, you will do an even better job now you know what the requirements are.

To the Reserves coach Richard Bulmer, great job, It's the hardest job at the club. Also to Cam McGregor with the Under 19's, fantastic year getting into the Grand Final.

I would like to thank Michael Fletcher and the senior committee for giving me the opportunity to coach this wonderful and proud football club.

I would like to thank Jason Cave as interchange steward, Max Grimmer for having jumpers and footballs always ready for training and match day.

To my team manager Steve Guy who did a terrific job all year, especially during the finals series, where he would never know the final line-up until the last minute. Well done!

Also a thanks has to be given to Graham Carr, for his goal umpiring skills and all his help throughout the year, never missed a training session.

To the ladies in the canteen for the sandwiches after every home game. Thank you.

Also to the whole club, thanks for making not only myself welcome, but also making my father (Bruce), my brother (Rod), and my wife (Miriam) welcome to the club. It made my job a little easier.

Finally to my wife and girls, without their support, it would not allow me to do something I love to do, coach football teams. I love the three of you dearly.

Looking forward to the 2008 season. With a very strong and hard pre-season, which will have us ready for the next step.

The main aim we must focus on is winning all home games. That will help us achieve promotion into B Grade.

Firstly I'd like to thank the committee for intrusting myself with coaching the reserves. As a boy who started in 1982 in the under 10's at age eight, it was indeed an honour and something that I'd wanted to do for a long time! Due to work commitments and the arrival of Zac, unfortunately I won't be able to continue in the role next year. I thoroughly enjoyed the year and hope that I contributed to the players knowledge and enjoyment of the game.

Every team at Hampton Rovers has its dedicated bunch of helpers. Thanks to Steve Guy for being the team manager (as well as seniors), Graham Carr for being my glowing goal umpire, Steve Helliger (runner), Ian Rootsey (time keeper), Roger Yelland (scoreboard). A special thank-you to Tim Wilson for being my assistant coach this year, I can't recommend him highly enough and hope he continues in the role next year.

The year started out quite promising with a 179 point thrashing of Old Paradians, we were on top of the ladder and flying. Alas all good things come to an end and we slowly started falling out of the four. Injuries to key players, promotion to the seniors and unavailability's soon derailed our season and we ended up finishing the season in fifth spot. The only time we got our best side on the field was in round 16 and we beat Old Geelong (eventual premiers) by 6 goals.

Congratulations to Gary Sheldon and Cam McGregor on getting your teams to the Grand Final. Although disappointing to lose both games, the future looks bright with many talented kids coming through who will play seniors for many years to come.

To my inspirational leaders in Nooga and Mitzi, thanks guys for your input and patience.

To Kev, Bec, Alison and the trainers thank-you

To Chief, Lakey, Pooch, Cam Voss and the rest of the committee, thanks for your tireless work. The club literally wouldn't run without the hours you guys put in.

To Emma and Zac, I'll try and be home next year by at least 6:00pm!

Finally I'd like to thank the club as a whole for helping one of my good friends Joel Day and his kids out. The fact that the club showed no hesitance it helping him out is why I and many old faces will continue to turn up to most games!! (Except Rupertswood)

After finishing 5th in 2006 and with 24 players remaining on the list, 2007 was shaping to be a promising year. However we lost several players to school teams, players playing up bush and 1 player retiring, which saw our pre-season numbers dwindle to 19. Thankfully our leaders made some calls and recruited mates to play in the green and gold. During the season a total of 30 players represented the U19s, which included 4 U17 players.

We started the season with a win, but then dropped the next 2, including a thumping from Mazenod in Rd 3, which in turn probably kick-started our season. We started to string a few wins together and play good football. We had a certain game style and followed it most weeks. We used our pace and fitness effectively as most sides were taller than us and our discipline was excellent. At the half way mark, we had lost 3 games and were sitting 3rd. Injuries started to hurt us, with several games we had 18 or 19 players only.

Rd 10 we played Mazenod under lights with only 18 players and inflicted their biggest loss of the season, winning by 5 goals. This started a run of wins, which was only halted by a Rd 15 loss to Old Haileybury. Consequently this was our only loss in the 2nd half of the year which left us 2 games behind Mazenod and 2 games clear of 3rd. We had many good players and our strength was our evenness. We didn't have a weak link as we continually rotated players off the bench.

Finals time and we played under lights against Mazenod. This was our 2nd worst result of the year, with many players putting in their worst performances of 2007. Luckily we had the 2nd chance and fronted up the next week against Old Haileybury. They had won their past 7 games, including Rd 15 against us and had the momentum. I however believed we were the better side and reinforced our strengths. We started like a house on fire and led by 5 goals at quarter time, which could have been more other than inaccurate kicking. OH then started to peg us back and by mid way through the 3rd term the scores were level. We started to run again and go direct and finally we pulled away to win by 3 goals. This was again another excellent team effort and gave us confidence going into the Grand Final.

Grand Final arrived and we had 70% of the play in the first quarter but squandered our opportunities by kicking points. This trend continued in the 2nd quarter, with our more accurate kickers, missing easy set shots. We trailed by 5 points at ½ time and we were very much right in the game. During the 3rd quarter, Mazenod started to show signs of breaking the game open, but we resisted and trailed by 3 goals at the last change. After 15 minutes of not much happening, Mazenod then goaled and made our task nearly impossible. We continued to work hard, put pressure on, but it was to no avail as Mazenod kicked the last 4 goals unanswered and running out winners by 42 points.

The pleasing thing over the past 2 years was the development of these players as footballers and individuals. In 2 years we had no players sent off or reported, which I think is a club U19 record. We had 2 good years, which was full of great football, laughs and camaraderie. If the club can keep these kids, I'm sure we will have long term success.

I had many helpers throughout the year, but Scott McGregor was my runner and coach in my absence. I know he enjoyed the past 2 years and has built up some good friendships with these young adults. George Schmitz accepted the role as Team Manager and did a tremendous job, ensuring we had the necessary tasks completed. Dean Vine was there each week, helping with water, stats or any other task that needed completing. We had Kathryn (Froggy) for the 2nd year in a row as trainer, her skills are exceptional and very much appreciated. Jason Cave completed the interchange stewards role again and truly deserved his life membership award on Presentation night. I thank all these helpers for their commitment and passion and without people like them, we wouldn't be able to field a side each week.

A personal thank you to Brodie and Joe. Brodie has supported me throughout my sporting endeavours and watched most games and shared my highs and lows. Without her support I couldn't have put the time and effort in to ensure 2007 was a success. Thank you Brodie.

In closing I would like to thank, my leaders, the players and their parents for their support, hard work and efforts throughout season 2007. I wish you all a long and prosperous football career with Hampton Rovers and hope you taste the ultimate success in the not so distant future - a Premiership.

To the committee, thanks for giving me the opportunity to coach such a great group of blokes. I hope you find a suitable replacement and success continues. Well done to Gary and the senior list for being promoted to C grade and congratulations to all the trophy winners.

JUNIOR PRESIDENT'S REPORT

Season 2007 started with our group of volunteers with new ideas. Registration day was reorganised around a little to avoid the one day or afternoon melee of people to lob and sign up. We had a mail out which was most successful for the second year and has shown that we must use electronic media more during the coming years.

It was great to see that we again fielded an U17 side, with the help of the Caulfield Bears, but it seemed that a lot of clubs around the area have been struggling to fill numbers in this age group.

One of the junior objectives was to complete the purchase of the new jumpers during season 2007, and it was accomplished only due to the generosity of the sponsorship dollars that is donated on a yearly basis.

My personal thanks to those who were part of the Junior Committee – Marie Turner, Brian Coughlan, Michael Schulman, Mark Brayshaw, Tanya Neville, Michael Campion, Rowan Currie, Greg Bott, Anthony Quon, Shayne Oswald and Tim Edgecombe.

Special thanks also to those who gave their time in other areas that made the job so much easier for me. Paul Pavlou put together a great production for the Best & Fairest vote count over a two week period. Other people have been involved throughout the year such as Cath Campion and all her canteen staff, and the Bar staff who were always ready to be behind the bar whenever required. Special thanks also to Chief and the senior committee for being there at call when required for junior occasions.

Sponsorships again were up with a long term plan put together to keep the Sponsors on the jumpers for a three year term.

To all that jumped on board during the 2007 season thanks for your generosity, especially Brown Cow Café.

Thanks also to our Major Sponsor Buxton Real Estate for supporting the Club so generously again and we look forward to maintaining a continued relationship over the coming years. Thanks again, Gavan and Bill.

Also a special thank you to Tanya Neville for the endless task of handling the weekly awards to be handed out to our exuberant performers.

Our Sponsor partners are of course a major part of the Club and I would dearly hope that every member considers using our Sponsors' product or service before going elsewhere. Thanks to Steve Helliger for helping me with the Junior Jumper Sponsors and handling the whole sponsorship portfolio alone.

Success off field, in a nutshell, was fantastic with the raffle being another huge success, and the Dinner Dance supported by the presence of great numbers.

We had what I would call a successful year on field by picking up 3 Premierships in the U/12s, U/13s and U/16s. The presence of another four teams involved in the final series will make for a good nucleus for a great start for the 2008 season.

I would like to thank all the Coaches, Team Managers and helpers for being part of the 2007 incident-free season.

Moving forward, we have already held discussions with the Seniors to the effect that there will be more involvement between the Juniors and the Seniors in an effort to ensure future preservation of the Hampton Rovers. Thanks also to The Chief and Nathan for your support throughout the year.

Again, thank you everyone, for a great year and I hope to see you all on board next year. Have a great summer break.

November 2006 and things were looking good with a turn out of 21 players, 2 players training with the seniors and one with the dragons, our list looked healthy. As summer kicked in our players had dwindled and by Feb 2007 we had just 11 players. A plan was put in place to merge with another U/17 Team that was having the same troubles as us, Caulfield Bears was the best option and a new team was formed – Hampton Bears.

Hampton Bears looked like a very good team with a good balance of players. Our first game we looked like a finals contender but there was no gel between the players and work needed to be done to create a team environment. There were stand out performers throughout the year and a couple of great wins but the lack of players at training prevented us from achieving more. A great example was the game against St Bedes, a top two side with everything going for them, us needing to win. We stuck with them for 3 quarters in a great effort only to be run over in the last quarter. It shows U/17's is now becoming more like senior footy where fitness and training make all the difference.

It was a great year, we didn't make the finals but I am sure there will be some great footballers and up and coming men in this group. Our trophy winners were just in their rewards, however with all coaches you wish you could give a trophy to all. Our best and fairest Jess Lovig will no doubt have a great career and will be a great guy. He shows maturity much beyond his age. Runner-Up Tom Mariani also showed maturity beyond his years and if he didn't dash off to Europe may have taken Best & Fairest. Either way Jess and Tom were terrific leaders and footballers.

To Brad Trembath and Max Greenway well done, both players played a handful of games in the seniors.

To Mattew Innes on playing for Sandringham Dragons well done and all three players, congratulations on playing in the U/19 finals series.

I would like to Thank Brian for his help as coach with myself. His input and influence was a major part of this team coming together and nearly playing in finals.

Thank You to Guy, your hard work as Team Manager is greatly appreciated.

To all the parents Thank You for all your efforts you were a big part of the team coming together, I enjoyed coaching the boys and meeting you all.

Thank you also to the Junior Committee, Chris Toouli also a major part of the team coming together and to Bec who was our physio on game days, and finally to the players, I hope you enjoyed the year and you are ready for the next step.

Well what a season, four Under 16 teams good enough to win the flag, we did it with three good wins in each of our finals. For most of the season we moved between 2nd and 3rd spot on the ladder.

Our motto this year was “no white flags” which all players knew meant never ever give up regardless of what situation we were in as individuals or as a team. This attitude together with our strong determination paid dividends. We had to totally rely on this terrific attitude by all players right to the very end of our Grand Final. Another area which we concentrated on from the start of the season was to ensure our footy skills improved, which they did considerably.

The season produced only two losses and even with those two losses, all players never gave up and put us in position where we could have won the game in the last quarter.

Our first final was a hard fought one point win, with our “no white flags” attitude certainly helping us through. The next final in the 2nd semi was a terrific 27 point win against the unbeaten Dingley. I think we certainly surprised them how hard our players attacked the footy. Our Grand Final victory was another great effort by all the players. Ten points down with 10 minutes to go and then we kicked 3 goals all from pressure set shots. Our superb never say die attitude again shining through. Well done to all 24 players it was a great season and we got what we deserved a PREMIERSHIP.

Congratulations to our captain Tom Youl who won our best and fairest together with the MSJFL best and fairest. Runner up was Eddie Turner and other trophy winners where Richard Atkins, Marlon Woltering, Chris Britton and Luke Euvrard.

Footy is very much a team sport and along with the players mentioned above the following players all received the best trophy of all a PREMIERSHIP medal:

Oscar Galt, Jesse Craig, Nick Green, Brendan Culvenor, Scott Bilger, Harry Chapman, Matt Lancaster, Brodie Derrick, Rick Jones, Sam See, Nick Hoban, Luke Saunders, Ben Clarke, Andrew Long, Jackson Naulty, Zac Pirrie, Pat Ivory and Will McTaggart.

A special thank you to all support staff. Big Al (Allan Jones) was a tremendous Team Manager as he has been in the past. Dale Craig, our runner, was enthusiastic and always full of suggestions. The Assistant Coach “Chief” Michael Fletcher was a great help and very popular with the players. Greg Galt, Jim Hoban and Brian Turner were also very helpful during the season as were a number of other parents. Thanks also to our trainers Allison Marks and Kevin Marks.

We should also thank Chris Toulli, Marie Turner and the rest of the Committee for their tireless work and of course all our Club Sponsors.

Again to all the Premiership Players – well done on a great season. We look forward to another great season next year (who knows we may make it back to back).

Having won the Premiership in the U 14 West division, this season was always going to be challenging as the boys took on the best in the MSJFL competition in the East Division.

As it turned out we certainly held our own. We won 5 games, lost 8 and drew one. Towards the business end of the season we were simultaneously knocking on the door of the final four and at the same time were staring down the possibility of relegation.

We lost a number of games we could have won and developed a bad habit of last quarter fade outs but on the other hand we had some stirring wins including a spirited 14 point victory against Oakleigh. In our last two games we drew with Caulfield which finished second in the home and away games and then beat Beaumaris which finished third. We all thought we would have given these teams and indeed the eventual premier Cheltenham a run for their money had we made the finals but it was not to be.

There were some memorable individual honours this year with Jarrod Sargent, Michael Karayannis and Cameron Sharp selected for the MSJFL U15 team which was captained by Jarrod. Jarrod also represented Victoria in the National U 15 Championships and Michael was a very worthy winner of the MSJFL Best & Fairest.

Michael again won our Best and Fairest from Max Slonim with Cameron Sharp third. Sean Kempster won the Coach's Award and Cailan Wrigley won the Encouragement Award.

We had a list of 25 players this year including 6 new recruits. I would encourage all the boys to stick together and make a concerted effort to do well next year in the U16s.

Finally, I would like to thank all the parents who were a great help this year and particularly the boys for another fun year of footy at the Rovers.

Neil Slonim
U15 COACH

UNDER 14

Sponsor: **HAMPTON RSL**

Weeks before the opening bounce of the opening match, the under 14s were forced into a tricky predicament. There were too many players for one team, and not enough for two. There comes a time in every young suburban footballer's life that he must contemplate joining forces with a previous foe. I had to do it when I was 16, playing at East Sandy. This resulted in my transferral to Hampton as part of the "Sandy Rovers". Ultimately, the merge was rewarding for those that took part, mainly because it meant we could field a team week in week out, which was much better than the alternative.

The Under 14 merger of 2007 was a little easier given that both teams were already part of the Hampton Rovers. No customised jumper or socks required, merely a squad fusion which resulted in a talented, yet somewhat disconnected and discontented side. I guess no one really likes to share.

As the boys were asked to split into four groups during a training drill on the first night it became apparent that the first challenge Phil Mehrten and I would face would be fusing the group mentally. Each group consisted of exactly half of the "Green" or "Gold" side, with no mixing by choice.

And so, one of the best moments of the season was watching as the team continued to develop until about Round 5, when the first pieces of true team play emerged. A pass from a former "Green" team member to a former "Gold" team member, followed by a few more "Green" to "Gold" passes, resulting in a goal and an Under 14s revelation. You play *a lot better* when you share.

As the season rumbled along, we were on both sides of the thumping fence. We won comfortably against the likes of Oakleigh (200+ points), and lost just as comfortably to teams like Highett. There were also the exciting wins, the fight backs and all the highlights that make football – particularly suburban junior football – great.

Despite missing out on the finals by less than 4 points, it was all in all an exciting, and surprisingly impressive year of football that the Under 14s played. Every coach knows that it's not where you get to that signals your achievement, it's where you came from. Given our difficult start, it was more than pleasing to see the boys perform the way they did every single week. I mentioned at the end of the final game that the proudest a coach can be is when his players are obviously giving nothing less than their best, and every Under 14s player proved that to me throughout the year. I stand by that statement, and I know that this team will only get better and better in years to come, which bodes very well for the senior club indeed.

The major thanks for the year must, as always, go to the team manager. Jane Barr did a fantastic job, as always. May this season give you the strength to say no next year! Thanks to Paul Pavlou for managing the rotating roster, amongst other things. Your support was indispensable. Thanks must also go to Tony Gale, my runner for most of the season. The guys benefited greatly from your warm ups and rev ups. To my old man, Ian Henry, thank you for assisting with training and providing tactical support throughout the year. And to all the parents who assisted in any way, thank you to you too. Clubs don't survive without that sort of commitment.

It has been recommended to the boys by none other than Nathan Buckley that they pick up a ball during the off-season. I second that recommendation. You will only get better with practice. And when season 2008 begins, whoever your coach is, train the way you play and you will improve out of sight.

THE ENTIRE GROUP

A testing but highly rewarding year featured by our Under 13 east side this year. Testing in respect to losing 9 players at the start of year due to school commitments leaving us with a list of 19 and then losing another 1 after 3 games into the season. With 18 players, our team managed to excel under some very trying circumstances at times. On 3 different occasions we fielded teams of 16 for at least half a game but to my boys credit, not once did this deter them. Many thanks to the Under 12's who regularly helped out when short, 4 in particular who became regular players.

We never dropped lower than 4th for season, dropping a couple of early games as we tried different players in different positions and tested a game style we thought suited this team. At the half point of the season, we were 4 wins and 3 losses and sitting 4th but the boys were building in confidence.

We then went on an 8 game winning streak that included beating the then 2nd and top teams to be the only Hampton Rovers team to finish the home and away season on top of the ladder. The streak, however, also included 2 finals wins of 44 points against Beaumaris in the 2nd semi final and an 8 point win in the Grand Final making us PREMIERS for the first time. An outstanding performance by my boys all year and they got to reap the rewards by winning the premiership.

Thanks to all the parents and my closest assistants (Grant O'Riley, Michael Shulman and David & Shirley Wallis), we could not have achieved this success without your continued support but most of all thanks to my outstanding group of young men for a great and highly memorable season.

CANNECTIVE SOLUTIONS

U13 West started off the year in great form winning the first six games. This included a win against South Melbourne, the eventual Premiership team.

The boys combined well and although nowhere near the tallest team in the competition, their desperation for the ball and their handballing gave us an edge over our opposition. On top of the ladder after Round 6 with a percentage of 540%, with our defence conceding only 80 points, and our on-ballers in great form it looked like the cup was there for the taking.

Alas we had a mini mid-season slump with a narrow loss to the only other undefeated team, Beaumaris, in round 7 and an unexpected loss to St Peters, who we beat by 9 goals in round 1, in the next round.

Hampered by nagging injuries and a few absences we recovered to win more than we lost in the second half of the season ending up with 10 wins and 3 losses and third place on the ladder.

The first semi against St Peters looked to be ours after the first quarter with a three goal lead but, to their credit, St Peters edged back to take the game and move on to battle the giants Beaumaris and South Melbourne.

The positives from the season included a lift in the competitiveness of our mid range players and a persistent, consistent effort from the top players on opposition that was often much taller and bigger.

While we need one or two more ruckmen for next year, the boys are eager to continue as a group in what will be their sixth or seventh year together.

Josh McPherson had an excellent year coming third in the league best and fairest and Daniel Vass was outstanding winning our best and fairest.

As usual I had wonderful support from the parents and especially Karen Whalebone our team manager.

AUSSIE SIGNS

2007 was a fantastic year culminating in an U/12 Premiership for the Club.

Our list comprised 22 boys, although it was difficult to field a full team for the majority of the season and accordingly we had the necessity to regularly call on four U/11's to get us through.

We had a very promising commencement to the season, consolidating a position in the four and eventually finishing fourth at the end of the home and away season. Our final's campaign was first rate winning all three finals and scoring collectively in excess of 80 points more than our opposition.

From my perspective, the most pleasing aspect of the season was that every boy on the list improved to some degree throughout the year. At the start of the season I had ten boys who could not kick a football properly, so to come through and win a premiership illustrates just how hard the boys worked to improve their skills.

Our team focus throughout the year centred around long kicking, manning up, aggression at the ball, hard tackling and a preparedness to run not only when in attack, but also when defending. Many lessons were learned the hard way, but nonetheless learned and we were able to set a standard of play and effort by the end of the season far above any opposition that we encountered. By the time the finals commenced, the boys believed that we were the best and the Premiership was ours if we stuck to the game plan and put in 100% effort.

On behalf of our group I would like to congratulate Christian Salem (Best & Fairest and Victorian Representative), Calum McLeod (Best & Fairest Runner Up), Will Crawford (Best & Fairest 3rd), Cory Derrick (Most Courageous) and Stefan Lidstrom (Most Improved).

Once again, it has been a very enjoyable experience to be involved with the Rovers, as a parent and coach. The support from parents has been fantastic throughout the year and I would like to thank Peter Lidstrom (Team Manager), Paul Williams (Runner), Guy Crawford (Trainer) and in particular Peter Derrick who was a big help throughout the season at training and on match day.

Also, I would like to thank the Senior and Junior Committee's and in particular Paul Pavlou and Chris Toouli. I understand the level of work which is required to operate a sporting club and everyone involved does an excellent job.

I have written to Chris Toouli throughout the season in relation to two matters i.e. boys from younger age groups "playing up" and the issue of grading. I expect that he will forward my correspondence to the Committee for discussion and consideration.

I am looking forward to next season already.

2007 saw me into my 3rd consecutive year as coach at Hampton Rovers Football Club. This proved to be a most challenging and satisfying season of football. We were challenged with the arrival of Northvale into the East division after being undefeated in their previous two seasons.

After winning the previous 2 premierships, the boys could have become a bit complacent, but this group of boys displayed a very strong willingness to work hard at training. They continued to improve in key areas : Running in numbers, switching the direction of the ball, tackling, working for each other when in procession of the ball.

We were once again very consistent, only losing 2 home and away games and finishing 2nd on the ladder. Our second semi – final and grand final performances were against the eventual premiers – Northvale. Both games were still in the balance with only points separating both sides at ¾ time. The boys showed great determination and sportsmanship, giving their all right until the final siren.

One of the most enjoyable aspects to my coaching experience has been observing these boys willingness to work for each other against any adversity. Again this year it was wonderful to see everyone in the group show improvement in their general skills. I have no doubt if this group continues to work together as a team, ultimate success will again come their way.

Thank you U/12 East for 3 great years and to all the parents and assistants (especially Tim Jones) for their support and friendship.

SHAKES JUICE & ICE CREAM BAR

We faced a battle with numbers this year as well as some boys who hadn't played footy before and seemed to constantly face teams with one or two standout players that proved the difference.

We relied on an even team effort across the board and where we won games it was due to a disciplined team effort for 4 quarters. We were competitive in most games and had good hit-outs against all the sides that played finals. I'd like to thank each of the following boys for their efforts;

- Adam Andrews for his consistency & balance in the middle
- Hugh Woodfall for his enthusiasm in his first year of footy
- Christian Lymbouris for the impact he made in half-a-season
- Alex McTaggart for his enthusiasm & popularity
- Myles Neville for his desperation & leadership
- Ben Deville for a promising first year
- Rees Phillips for reaping the rewards of lifting his workrate
- Scott Rayment for his energy and attention to instructions
- James Grace for his application in his first year
- James Saunders for his skills under pressure
- Jack Stewart for his team ethic and brave attack on the footy
- Luke Dubbeld for his reliability & application
- Nick Carey for working hard on his skills in his first year
- Jack Rutter for his versatility and fearless approach
- Harrison Doidge for his physical presence and competitiveness
- Christopher Rees-Jones for his steadiness under pressure
- Andrew James, whose versality and ball-winning was exemplary

Congratulations to the following award winners;

- Best & Fairest – Mitchell Sturgess for being our key player down the spine all year
- Runner-up – Andrew Barber for his strength and aggression at the footy
- Third - James Bainbridge, whose steely determination belies his size
- Most Improved – Scott Brown for his versatility and hard work
- Coaches Award – James Saunders for his skills and footy smarts

Special mention goes to several U11 players who helped us out this year when numbers were down, especially James Holland, Tom Currie, Charlie Edgecombe and Jack Toouli, and their coach Row Currie for his assistance.

The key to a successful season is to have support and back-up. We were fortunate this year to have great parents filling the various roles required each week and supporting the Club's fund-raising activities. Thank you all.

As Coach I was fortunate to have an amazing Team Manager in Kathy Sturgess and Assistant Coach/Runner in Mark Sturgess. Thanks to both of them.

KSM PROMOTIONS

After a late flurry of registrations, Hampton Rovers were again able to field 3 under 11 teams in season 2007. All the kids certainly had plenty of game time as often each team found itself a player or two short in a match.

Under 11 South missed out on the finals by just half a game, having beaten three of the teams that made the finals and fighting out a draw against undefeated Ormond who won the flag.

Whilst a small side physically, the courage of this team was anything but small. The playing group always put on a great show in front of record crowds at Ludstone Street!!

Trophy winners were:

SOS CONSULTING

It was a very difficult start to the season. Kids that are not sure of playing leave it to the last minute which affects the number of teams that we have for the year. Initially it was two and then as it got closer to the start of the season it ended up being three teams. Three teams meant that the numbers would be tight as we were relying on kids playing soccer at 9.00am then football at 11.00am - not the ideal situation. The drought also posed its difficulties putting the season back 4 weeks affecting training and venues we could train at.

We started the season with not the ideal preparation. Under 11 football is the first year that we have a ladder which means that the season becomes more exciting. We had an up and down season and it seems that confidence was a part of our makeup. When we were up we played confidently and were focussed and had winning results. The season seemed to have a lot of stops and starts which affected our result. Momentum with kids it seems to be important. We never played well after a break i.e. school holidays and byes. At the half way point we were playing good football with our sights on playing finals. After the second lot of school holidays we had lost our momentum losing three games in a row which left us half a game out of the finals. A little disappointing because on our day we good beat any of those teams. That's junior football.

Under 11's is the first year of tackling and some other rule changes therefore there were different challenges. It meant that the kids had new experiences and issues to deal with. We finished the season on a great high with a great win high spirit and importantly the right attitude for 2008.

All parents must be complemented on their support and to their kids playing football. A big thank you to our team manager Jane Oswald (not an easy job), Paul Murphy Assistant Coach, Shayne Oswald Trainer & Paul Fisher Runner.

AXA – PAUL WILLIAMS

The season got away with pre-season training on Sandringham Beach in February. The lads trained hard and their skills were on display from this early start. The season opener saw the boys carry their good training form into our match against Bentleigh. The match was tight, hard fought and produced a great first up win for the boys with an even contribution from all.....we were up and about and ready for more. Unfortunately, we forgot to tell the other sides that we were ready to dominate this season, and were met by somewhat of a brick wall when we were scheduled to play, what would become four of the best sides in the next month. Beaumaris, South Melbourne, Caulfield and then our dreaded arch rivals East Brighton all beat us to put us back in our respective boxes.

Crisis meetings were held till all sorts of ungodly hours at the coaching staff's new headquarters (The Sandringham Club) and many "morning after headaches" were suffered as a result of trying to figure out a way to get ourselves back off the mat. One coach thought that there was a tablet for the morning after afflictions but we felt he may have missed the mark a bit..but hey that's another story. A few new drills at training saw the boys freshen up a bit for the 6th round encounter and we came out against Ajax with steely intent in our eyes. The game had a little bit of everything. Some "argey bargey", some fast centre breaks, strong defensive work and lively leading forwards. It reminded the fans and coaches of an era when we would go into most games as the fancied favourites and play good hard footy to take the points. A sorely needed win indeed and we were still in touch with the "four". All was set for our round 7 encounter with Oakleigh. Sadly, we suffered with a couple of injuries and an absent player here or there and again we had our bottoms well and truly spanked.

Back to the Sandringham Club for more divine guidance and mind settling solace. Like a great team we steadied our thoughts and trained harder than ever (from memory the lads completed two warm up laps at training this week instead of the usual one) and discussed essential tactics for the return bout against Bentleigh. We were now at the half way mark and looking down the barrel! Our record sat at 5 wins and 2 losses.....oooops, try 2 Wins and 5 Losses. Another coaches meeting had tongues wagging about possible coaching staff changes and in-house bickering. The players knew it was time to take responsibility for their own success.

For round 8, a line in the sand had to be drawn! Although we had to be careful not to draw it under the high tide line or it may not stay long enough to draw attention to our dire plight! It must have been done right, as the lads went out to score one of the highest scores for the season. We smashed Bentleigh from the first bounce....so much so the I heard the other coach ring the RACV for a tow! Talk about turning the light switch on..... I'm not sure whether we had minimal sleep overs the night before or a low GI brekkie for the lads, but whatever it was we went on to kick a record 99 points against a hapless Bentleigh team that didn't know what hit them.

Back to the Sandy Club, for celebratory discussion this time. The training session before round 9 was full of expectation, how were we going to go against our arch rival Beauy? Ok, I know East Brighton are our arch rivals, but I kind of insist that every side that gives you a good thumping just has to listed in the arch rival column. So we came up for our return meeting with "semi" arch rival Beauy. Well, I reckon we will be their new arch rival from now on, as we cleaned them up in the night game of the year! A finer thrashing you would go a long way to see, especially as they towed us up pretty nicely in our earlier encounter. Apologies must be made from myself here, as I am not much chop in your dodgy light conditions Although for mine, it was probably our

"Grand Final" moment of the season. Regrettably, our winning streak didn't continue on as hoped for and we fell into the mother of all "mini slumps". A win against Ajax would be our last "theme song" game and we entered the long post season period with a touch of dejection on our minds. Overall, most of our players learnt something from our season. The players trained well, communication between players improved and the coaching staff got better at accepting our losses. The East Division is one hard area to learn a craft, although with a few recruits here and there, general player improvement in size, speed and skill will see us back again next season to pursue the task at hand. Winning can surely bring delight to the fans and players hearts, however, myself and the other coaches are able to take positives out of every situation and as player reviews will state, we have plenty of positives to move with.

There is one thing we do need, and that is parent support to make sure that players are available each week. Too many games were entered into without enough players, thanks go out to all the under 10 boys that help cover holes this season, however, under 10 boys are not up to the task of filling gaps at our level. The high standard of the East Division makes little allowance for camping trips, extended holidays and skiing adventures. I appreciate that all kids need variation and stimulation to help develop and grow, however, the task of covering "the outs" is too hard and unfair on the available players. All players must learn that in a team sport, the team is everything and commitment must be made for each player to pull his weight at training and on game day. At times this year we were down to 14 available players and holes like that are unlikely to be filled with any success.

On a personal note, I have taken a lot out of my first season. Watching the players grow in confidence and their skills develop is more than enough to keep me coming back and of course the wins are also cherished, as is the efforts of the players and parents to develop a great social and competitive atmosphere.

With this in mind, I thank all those involved in our season and special thanks and congratulations go to:

Marina, Barry, Chris, Chowy, Doug, Tim, Tony, Rod and Gerry for their valued help with training and organizational matters.

All parents for their "behind the scenes" assistance with barbies, goal umps, orange cutters and providers, one eyed support and coaching critique (where necessary), video taping of Ajax "argey bargey" and all other things that can sometimes go unnoticed to the untrained eye. Congratulations also go out to all the players and to these award winners.

JUMP 'N PLAY JUMPING CASTLES

2007 was a very successful season for the Under 10 South team this year. Craig Punshon and myself agreed to take on the task of organising a group of children from many different schools and teach them some basics around football and enjoying the team aspects of football.

With little pre-season training, due to the lack of rain on grounds, we went in with the philosophy of giving each boy a chance to play in all areas of the ground, to develop confidence and the feeling of having contributed to the game. The emphasis was to have them understand where each position was located and that it takes all players from the backline, through the midfield and into the forward line, to create a game that gives us the opportunity to be competitive and win.

There were many players in their second year but also a number of first year boys, eager to learn and live their dreams on the field and a terrific amount of camaraderie shown by the group, particularly after a win. The scenes of the boys spread across the ground in a line, arms around each others shoulders, singing the club them song at the tops of their voices was fantastic to witness and brought a smile to all parents.

Some of the highlights were that we managed to have 15 of the boys kick a goal and many others at least get on the scoresheet with a behind. There was the stirring, "come from behind" win against AJAX at Ludstone St. Also, the tense and exciting draw against Ormond, with parents biting their nails on the sideline. The narrow loss during the season to our arch rivals, East Sandringham, even though we were two players short. Even the games in which we were beaten, there was no giving up, as shown by the last quarters of those games with us outscoring the opposition after asking for one last effort.

The efforts of the boys on the day of the Lightning Premiership were outstanding. We were drawn to play two of the top three teams in the first two games and could so easily have won those games as we had much more of the play and had more scoring shots but unfortunately, they fell on the wrong side of the big sticks. In the final game of the day, the boys played hard, finishing with a comfortable victory and the chance to sing the club song one last time for the season. Almost as good were the sausages cooked on Craig's dodgy BBQ. Another season finished with all boys having grown in confidence through the year and contributing to the team effort.

Our award winners for the season were:

Nick Pavlou	1 st Best and Fairest
Lachlan McPherson	2 nd Best and Fairest
Connor Riley	3 rd Best and Fairest
Jack Nicholls	Coaches Award
Daniel Johnson	Most Improved

Many, many thanks go to all those parents who made each game easier with their help. Without this, there would be no game for the boys.

SPECIAL, SPECIAL thanks goes to Wendy Robinson for her terrific organisation and communication each week. It helps to know where we should be, at what time, etc. Thanks Wendy and look forward to seeing you again next year. Also to Susan Boyes-Varley for stepping in to help when Wendy was away.

Craig Punshon for training and match day efforts and a cold beer at the end of training.

Grant Cosgriff with his physio/trainer skills as well as light entertainment on the sideline.

Paul Pavlou for again, putting together the Awards Night and making it a success for all.

Thanks to the terrific group of parents and grandparents who came along each week, in the cold and wet to cheer along the boys. It was a pleasure to be involved with you and your children. I hope they are all keen to go again next year.

MERIDIAN SECURITIES

The 2007 football season for Hampton Rovers Under 10 West was mixed, with the team developing and playing well, although with limited on-field success.

The season started late due to the drought and lack of a ground. This meant our pre-season training was much shorter than usual. Most of the team hadn't played together before and it took a while to bring it all together.

The team had a very strong centre-line and on-ballers who consistently entertained the crowd with a fast running game that moved the ball up and down the ground at light speed. James Taylor and Henry Brawshaw were two of the fastest on-ballers in the division and were impossible to stop when making a run down the centre of the ground. Henry and James are top cross-country runners and had the beans to rub ahead of the pack for four quarters of football.

The match highlight of the season was a win against the then undefeated Dingley late in the season. Scores were even at three quarter time, with Hampton Rovers coming home strongly in the final quarter for their best game of the season.

Best and Fairest Winners were:

James Taylor (Ruck)

Henry Brayshaw (Ruck Rover)

Matthew Foster (Rover)

An award for Most Determined went to Ashley Hodder, while Harrison Kimpton-Moss won an award for Most Improved. Harry was playing his first season of football, having been a soccer player.

Special mentions go to Michael Brodribb at Centre, Michael Rioden at Full Back and Mathew Stoddard.

Many thanks for an outstanding effort from the Team Manager Michael Schuh. Michael was a quality rugby player in his day and brought things together smoothly for the team during the season and his efforts were greatly appreciated. Team Manager is the biggest job of the season and Michael's extensive experience around sporting clubs shone through.

Support from parents during the season was fantastic, with plenty of volunteers for the various jobs on match day. Peter Brodribb, Paul Foster, John Taylor, Neil Turner and John Stoddard added a wealth of experience to the coaching staff at training sessions and on match days. Myself, I enjoyed every minute of the season and am looking forward to the 2008 season.

What a great year the boys had and I must say as a parent I couldn't help but marvel at the skill level of all the boys. As the coach I could not have wished for a more enthusiastic, dedicated group of players.

The consistency of the team and the enthusiasm of all the families involved provided a very positive experience for everyone. I feel this environment started from before the first ball was bounced with the work done by the Team Managers Kaye Lohan and Leanne Yorgey. The way in which they organised everything from the roster to the match day functions allowed everyone to know exactly what was required. This structure allowed the boys to enjoy their game with no background issues.

The help I received from the parents this year was very much appreciated by not only me but also the boys. This involvement added to the positive experience had by the boys and I didn't hear a negative comment from anyone all year which was great. To be there and see the look on the boys faces when they have done something positive like kick a goal, take a mark or do a bump is priceless as I'm sure you'll all agree. On behalf of the boys and myself I'd like to provide a special thankyou to Adrian's dad Anton for being the runner all year along with Lachlan's dad Steve and Jake's dad John for being at training every night to help out. It would have been impossible without their help.

I must say the Hampton Rovers football club provides one of the most productive environments for showing the boys how to be part of a sporting club. Their philosophy regarding enjoyment of the game with everyone participating was great to see.

Finally I'd like to thank all the boys for their efforts and wish them all the best for their football future with some boys moving up to the U10's and others having another year in the U9's. I'm sure you'll continue to improve and let's hope we see you all playing AFL football for your favourite team one day.

In 2007, the Under Nine East team was an enthusiastic group of young boys covering all spectrums of the football landscape. We had many youngsters playing for their first year and a handful playing their third year. We had big boys and little boys. We had fast boys and slow boys and those with well defined skills as well as those just beginning. There was, however, one common denominator throughout our team – enthusiasm!

In consultation with our assistant coach Neil McIntyre and Team Manager Edi Melnjak, we adopted a philosophy of deliberately rotating the boys throughout each position on the field and on the bench every game. In this way, all the boys were introduced to the subtleties of play in the back line, on the ball and in the forward line. At the same time we attempted to match the boys against opponents of similar size and ability. This was a popular philosophy with the boys and parents, even though from time to time it put at risk our chances of success.

We played nine games during the home and away season, with the highlight being our first victory against Mordialloc Braeside. On a day when the planets were well and truly aligned, we kicked in excess of ten goals! Fittingly, the season finished on another high when we competed superbly in the Lightning Carnival, winning two of our three games and narrowly missing out on the Finals.

There are several characteristics of the Under Nine East's this year and I have already mentioned the most important one: the enthusiasm of our boys. We also have very Committed group of parents, all of whom were prepared to help as and when required during the year, and this was well demonstrated with the Wine Raffle, when the Under Nine East's raised a significant contribution of money for the Club and donated some fine wine. Thank you all.

The third important characteristic was Sense of Humour and all of us enjoyed highs and lows associated with the endeavours of our sons, without taking matters too seriously.

And speaking of our sons, they were a pleasure to coach. I would like to especially congratulate Award winners this year as follows:

Joint Best & Fairest	Ned Murray & Hamish Brayshaw
Runner-up	Geordie Macpherson
4 th Best & Fairest	Angus Macpherson
Coach's Award	Samuel Lovejoy-Hall
Most Improved Player	Mitchell Taylor

Thanks also to Neil and Edi for the efforts behind-the-scenes. There's no way we could have enjoyed such a successful season without their help. Well done gents!

Prior to the season, I enrolled in the AFL's Level One Coaches' Accreditation course, during which time I was brought up to speed with some of the tricks that are necessary in order to capture the interest of a group of 7-9 year old boys. At the end of the course, it was made very clear that measurement of my success as a coach would not be determined by the team's position on the ladder, or our Win-Loss ratio. Rather, it should be measured by the number of boys who enjoyed their football enough to come back and play next year. With that in mind, I look forward to all our team returning next year and repeat my offer to coach the Under 10 team into 2008!

AUSKICK

Auskick at Hampton Rovers for 2007 was yet another successful year. We had 125 registered children with 70 of them preps, so we expect another increase in numbers in 2008. This is always good news for Hampton Rovers as hopefully many of these kids will don the green and gold in years to come!

Our programme, apart from lots of footy activities, also included sausage sizzles, a Mums and Dads kicking competition, a heritage round where all the Coaches and Dads wore their old footy gear (complete with tight shorts!), and the highlight was taking all the kids into the changerooms on the final session and then watching them run onto the ground down the race, through a cheering guard of honour by the parents.

There was also a grid match at the MCG at half-time of the Collingwood v Port Power match, as well as another at Trevor Barker Oval at half-time of a Sandringham Zebras match, and even a half-time match at a Rovers home game! Kids just can't get enough of footy!

All my thanks to the coaches who were magnificent. Paul Bowden and John Fraanje (Grade 2's), Tim Branson, Richard Haig and Greg Taylor (Grade 1's), Grant Griffin and Adrian Carney (preps). Thanks also to the many parent helpers...Auskick can't run as smoothly without all of your help. The feedback from parents, onlookers and the children themselves was overwhelmingly positive and we have more excitement planned for next year.
