FOUNDATION

Hampton Rovers Amateur Football Club first started as an organised activity for the First Hampton Scout Group by Norm (Boss) James in 1918. The Scout Group's main theme was to promote football as a team game and encourage self-confidence, self-control and a desire to improve a player's ability. This is similar to the current philosophy used by Hampton Rovers AFC today.

Initially, games were played socially against other Scout Groups and then in the Association Sub-district competition. But, as the incentive to play a higher standard became apparent, another competition was sought and in 1933, Hampton Rovers was accepted into the Metropolitan Amateur Football competition which later became the Victorian Amateur Football Association.

In 1963 the club moved from its Ludstone Street ground to the corner of David Street and Bluff Road, our present home. In 2002 this ground was formally named the "Boss James Reserve" in memory of the club's founder.

In 1979 the Hampton Rovers AFC started its youth policy by introducing junior teams in an effort to provide an extensive link with the local community and to provide a development scheme for the senior side. Since then, 28 junior premierships have been won.

The Rovers have won seven senior premierships and were the first club to win premierships in each of the four senior VAFA sections, including the 'A' Section flag in 1951. Nine Reserve and eight Under 19 premierships have also been won by the club.

Four senior and sixteen junior sides represented the Rovers in 2010, equating to over 500 registered players, plus around 200 kids participating in the Auskick program, making the Hampton Rovers one of the largest Australian Rules Football clubs.

2010 INDUCTEES

Stephen Anderson played over 260 games in the seniors, equating to over 400 club games. He won the senior best & fairest on two occasions and was club captain for three years which included the 2001 premiership. Stephen also won the VAFA C section best & fairest in 2000. Stephen has served on the junior and senior committees, coached in the juniors and performed countless other duties around the club.

Gary Nash has had over 40 year's involvement at the club. He started playing at the age of 16, winning an U19 premiership that year, before winning the U19 best and fairest in the 1972 season. Gary went on to win the senior best and fairest and captain the club for three seasons. He has coached the seniors and reserves, done countless jobs around the club, and continues to play an active role.

2010 CLUB MEMBERS

The club thanks each of the following supporters who financially backed the club in 2010 by becoming a financial club member. This is a vital part of the club we must promote and grow over the coming years to ensure we remain in a healthy financial position. We encourage all supporters to become members in 2011.

SENIOR PRESIDENT'S REPORT

2010 was in many ways a successful year for Hampton Rovers, despite our end result of finishing 8th on the Premier B grade ladder. We had great games against the best sides in B grade and our effort in trouncing Old Carey at Carey showed us all that we had the team and attitude to mix it with the best in our comp. We finished the year on a high beating SKOB in the last game and I hope the passion shown in that game is carried on into next season..... We deserve greater success and all need to pull together to achieve that in 2011.

My message to all members for the year was "Bring Your Passion". The players showed great passion, as did the supporters, committee and all the people that make the Rovers a great family club.

The Rovers again had a great off-field season with the Gala Ball at Sandy a season highlight. We again helped the Salvos raise a lot of money and had other fund raisers for worthy community causes such as the "Violence against Women" charity. We should all feel very proud of our club and the role it plays in our community as a great place to be a part of Aussie Rules Football.

FOOTBALL OPERATIONS

The U/19's had a tough year with a very young side up against more experienced opposition in the higher grade. The VAFA rightly promoted us, after Quonny's premiership in '09 but most premiership players moved up to seniors so the side we presented had a very tough task. But Anthony set about achieving the best results he could for his boys and he is to be commended on a very professional, gritty performance as coach. I have great confidence in Quonny stepping up in the role of Reserves coach in 2011.

The 3rd XVIII again had a hard year against the more established schoolboy teams, but Glenn (Gladys) Roulent and Denis (Pilko) Pilkington put in every week to ensure the guys had a real go, and enjoyed their footy. Rod (Bluey) Haverfield departed mid-season to sunnier climes and his efforts are also appreciated. Their jobs were made easier by the comebacks of Adam Power, Steve Anderson and several other guys. "Uncle Mick" Flahive again added his footy nous to the team and helped in bringing along many of the younger guys.

2011 will see the 3rds strengthened and taking a more professional attitude to build the base under the reserves and seniors. Another step in the Rovers plan to be a stronger force in the VAFA.

The Reserves were coming off a tough year in '09, but Paul Curry stuck at the task, supported Matty's game plan and in the second half of the year the resses started to perform and won some great games. Cuzz is standing down as reserves coach and I want to personally thank him for an outstanding effort, not just in 2010, but for the many years he has been a junior, 19's and resses coach. Cuzz has set the scene for our resses to be competitive and strengthen the base for senior success next year.

Seniors 2010

What a buzz at the start of the season with Matty Robbins at the helm and along with him the additions of Dave and Brendan Robbins in support. Matty had us playing a new brand of footy at the Rovers and we were well placed at the halfway mark to impact on the finals and have a big year. The combination of our strong group of experienced players and the added depth of talented young guys had a real level of excitement happening around Boss James. Unfortunately, our passion and performances fell away in the second half, but the guys maintained their enthusiasm and finished off the year well to be many games clear of the two relegated sides.

Matty had a tough second half of the year but he kept at the job and even when finals chances were gone, he kept the players up and continued to plan for their development, looking to the future. Matty has shown great support for our plans in 2011 and is keen to be a part of our future under 2011 coach Russell Barnes.

On that note, I urge everyone at the Rovers to get behind Russell and his formidable coaching group in 2011. There has never been a better time to be on board.

OUTSTANDING INDIVIDUAL ACHIEVEMENTS

Leigh Fletcher –	Outstanding double – B grade VAFA B & F – AND Rovers B & F
Guy Martyn –	State Honours – VAFA senior representative team
Ryan Semmell –	State Honours – VAFA U/23 team, plus Australian AAFC U23 team to tour South Africa
Chris Gleeson –	State Honours – VAFA U/23 team
Jackson Ward –	State Honours – VAFA U/21 team

SPONSORS

2010 saw record sponsors on board, thanks to a fantastic effort from new committeeman, Brian Ambler. Buxton again stepped up as major sponsor and Sportsmart were again committed to great support of the Rovers. Bendigo Community Bank (Sandringham) became a major sponsor and has a good fit with our community football club. There are many other sponsors at all levels and they are acknowledged in this report and all are featured on the Rovers website – a stand out in sporting websites and a credit to Cam Voss. Check the web site frequently and please support the Sponsors who support us.

**HELPERS INTEGRAL TO THE ROVERS**

Apologies to anyone not listed, but these people made great contributions in 2010:

Robbie Ahmat	-	Jeff and Jodie Brown	-	Cath and Michael Campion	
Jason Cave	-	Ian Cave	-	Nick Giasoumi	- Steve Guy
Caitlin Henry	-	Steve Hope	-	Julie Lovig	- Gill Maddern

Don Scarlett	-	Brian Turner	-	Dallas Voss	- Brent Ward
Annie Westhead	-	Bernie Woodland	-	All the Thursday night helpers with dinner	

COMMITTEE

This report gives me the ideal vehicle to thank the people who make my job easy and who truly run our club. The committee is a great mix of "old stagers" who front up year after year, and new blood who all put in to hold the fabric of our club together:

Vice President: Max Grimmer – Caretaker, equipment, footy experience and anything else we need.

Vice President: Cam Voss – (An old stager already!) administration, best web site going around, press reports, VAFA liaison, bar and a host of other important roles.

Secretary: Lachie Wheeler – Efficient, committed management of our club, 24/7. Plus the heart and soul of our ressiies, what a clubman – best, in fact!

Treasurer: Nick Williams – Took on a mammoth job and manages our finances in a truly professional way. Life member who keeps putting in countless hours.

Asst Everything: Jenny Voss – Can't possibly list all she does – secretarial, financial assistance, lunches, merchandise, equipment. A tireless worker, integral to our great club.

Bar Manager: Lee Smith – A very professional job combined with his playing efforts.

Kevin McCarthy – Club maintenance, coterie, lunches and anything else we needed.

Roger Yelland – Player welfare, liaison with senior/junior player support, scoreboard and vocal, positive support.

AND THE NEW GUYS.....

Matthew (Mitzi) Gray – Social President who ensured players, supporters and members all pulled together to give our club a great social scene.

Brian Ambler – Sponsorship management taken to a new level of professionalism. Fantastic performance!

Dean Lovig – Player and Family support managed beautifully to ensure a network of support from U/19's to seniors – great ideas and initiative.

Special Thanks to **Paul Pavlou**, who took over as Chairman of the Board in 2010. Pav is working towards our plan and goals for the future – in all aspects of the Hampton Rovers Football Club, senior and junior. Pav has done an incredible job in building the future to ensure success in all levels. Thanks also go the junior reps on the board – President **Phil Bourke**, and VP's **Peter Casey** and **Paul "Billy" Bowden**. Watch the website, we have great plans to make the Hampton Rovers a standout club in Victorian Football.

And I mention **Tim Wilson** last of all. I strive to manage the club to the level set by Tim, but it is a huge task. Work and family commitments meant Tim stepped down as President last year but his support, advice, outstanding work on recruitment and match committee are amazing. Tim continues to put his heart and soul in to the Rovers and he is again managing our recruiting to ensure 2011 will set a new level of success and enjoyment for players, members and supporters.

I thank everyone in the Rovers family for the honour of being your President. Believe me, we are on the cusp of making this the very best time in the Rovers proud history.

As Barney said at the players meeting, we have a great opportunity to create history in 2011 and achieve great things in Premier B grade.

I urge you all to get even more committed and passionate about Hampton Rovers in 2011. It will be a great ride so get on board!

Jim Westhead
SENIOR PRESIDENT

SPONSORED PLAYERS

Thank you to the following sponsors for financially supporting the players in 2010. Having sponsors cover the subscription fees of the players is an important aspect considering they're playing at the club for no match fees. It's pleasing to report we had 11 additional player sponsors than last year and total player sponsorship and subscriptions were well up on 2009.

The 2010 season presented a new challenge for the players, introducing a new game style and giving players confidence to take their game to a new level. The year started off exceptionally well with an away win against Old Essendon, but as the year progressed we lost a number of key players both to injury and trips overseas which made things tougher.

The team performed well especially in the first half of the season, winning more games than we lost, which also included great wins against Oakleigh away, St Bernards at home, and the eventual premiers, Old Carey away. We dropped a number of winnable games which was disappointing however it was great to finish the year on a positive note defeating one of the pre-season favorites in St Kevins at Boss James Reserve and denying them a spot in the finals.

There were many positive signs with the emergence of Jackson Ward as a back pocket and Chris Gleeson who had an outstanding year at centre-half forward. The continued development of Ed Turner, Jesse Lovig and Richard Atkins are all good signs for the future. Key players Leigh Fletcher (B Grade competition and Rovers Best and Fairest winner), Mark Devereaux, the two captains Gary Carr and Ryan Semmel, and David Robbins all had solid consistent years.

We look forward to getting back our overseas boys Daniel Corp and Kyle Pinto, both classy players who we missed very much when they left mid-way through the season. We're also looking forward to a fit Guy Martyn showing the rest of the competition that when fit, he's in the top three players in comp. For the players who've come on last year, use this as a stepping stone for bigger and better things.

In concluding, this was a consolation year with many positives. But it's our turn now – prepare well and do whatever it takes – we are not far away from taking the next step.

I would like to thank Paul Curry, Anthony Quon, Steve Guy, Bobby Spaulding and Brendan Robbins for all their support throughout the year. A special mention to Cam Voss, Jimmy Westhead and Tim Wilson for great support, to Kevin Marks and all the trainers, and everyone else for making it a very enjoyable year.

All involved with the senior playing group were looking forward to the start of 2010 after consolidating in B grade in 2009, and while we didn't reach the heights that we were hoping for, we played some great footy at times, and there is a lot to look forward to in 2011.

The two's also played some great footy and the most pleasing aspect was the way we finished off the year, winning three of our last four games.

I would like to thank our three captains Banga, Wheels, and Mitzy for there on and off the field leadership.

Thanks to Matt, Dave and Brendan Robbins, you have been a great pick-up for our club and I hope that you are all there when the success arrives.

To all who helped on match day throughout the season your efforts were much appreciated.

Once again Steve Guy did a mountain of work and most Saturday's helped out with the reserves before Team Managing for the seniors, so from all the reserves team thanks!

Jim Westhead, Cam Voss and the committee worked hard throughout 2010 and at times it can be a thankless task however the real supporters know the value of your consistent hard work.

Lastly to all the playing group thanks for another great year and I hope you all remain a part of what could be the start of something great.

Oh What a Season!!!!!!!!!!!!!!

Similar to season 2009, the thirds again had a pretty ordinary year results-wise.

Our only win for the season was against Kew in round 9 at home. And what a win it was!!! After being belted in every game until then, it felt like we had won the Premiership and the Club song was never sung with so much Gusto and Enthusiasm.

The season was marred by having to give two forfeits due to injuries and sickness, stemming from the seniors to the reserves, and of course flowing on down to the thirds.

Apart from the first two rounds we really struggled to put eighteen on the field each week and in some games we finished with only 16 or 17 players, and even then some of those still on the field were carrying injuries and should not have continued to play.

Throughout all this, the Spirit remained high among those who turned up each week, and in just about EVERY game, the final scoreboard did NOT reflect the Effort, Endeavour, Spirit and Determination of those players still on the ground. In every game, the Hampton Rovers Football Club was never disgraced.

There were times when some players took to the field carrying injuries or illnesses to make sure we fielded a team.

On a brighter note, we would like to congratulate Adam Power for winning the 3rds Best and Fairest and if it had not been for him, in some games we would have lost by much greater margins than we did.

Congratulations also to Michael Flahive as Best and Fairest Runner-Up, and also to Graham Davis for Best Team Player.

A football team does not run out to play each week unless many people in the background have some say in making it happen, and we would like to thank the following people for their unselfish commitment :-

- Our Gallant Coach Glenn "Gladys" Roulent
- Jim Westhead and his tireless Committee
- Michelle Sobota our ever reliable trainer, sometimes helped out by Rachel Evans
- Bernie Woodland, our intrepid and totally unbiased Central Umpire
- Luke Morcom, Joel Emmins, Campbell Jones, Jack Campion, and Gary Morcom who all regularly helped out with Goal and Boundary Umpiring, Time Keeping, Scoreboard Duties and of course our Interchange Steward Jason Cave.
- Many thanks also to Jenny Voss who takes care of washing and cleaning the club jumpers each week and to the team of Ladies who never fail to provide us with GREAT Thursday night Dinners.

With a new set of Coaches leading us in 2011, we look forward to a much improved effort from our Thirds next season.

With a promotion into South 1, the year was always going to present its challenges. With a number of key players moving into the seniors and a few others having a year off, the team was considerably young and probably not balanced enough with physically ready players to compete against some of the school boy sides we faced. However, this didn't stop the boys from putting in every week on and off the field.

Two wins and one draw could have easily been 4-5 wins, which would have been a fair representation of where our side was at.

What pleased me the most was that come round 18 we still had a full list to choose from and no one threw in the towel because it was a tough season, which is a credit to themselves as individuals.

I was wrapped that Tom Youl was able to get a crack at senior level and by years end to see Richard Atkins playing defence in the seniors, looking like he had been for 10 years, was very satisfying!

I'd like to thank all the players that took the field in 2010, especially to the few u/17s that continually put their hand up to play on the Saturday...

To the leaders – Jack Baxter (Captain), Tom Youl and Chris Britton (Vice-Captains), all of you did a great job in a very tough year!

Thank you to my helpers;

- Mick Dove for again completing the running duties, his enthusiasm for the job was great!
- Mark Britton as Team Manager, a thankless job, but very much appreciated
- Roxanne Britton, Jim/Sonya Hoban for filling in for Mark and or doing the small jobs on game day... a big thank you!
- Kam Atkins for his goal umpiring duties!
- Rachael, Kevin and Frogga for their training duties mid-week and on Saturday's

Finally, a big thanks to the support of the Senior Coach Matty Robbins, it was great learning off you and I look forward to you being a part of the Rovers in the near future. Paul Curry for his advice throughout the year...Also the Senior Committee – Jim Westhead, Cam and Jenny Voss, Paul Pavlou and the rest of the committee members, a big thanks for your support as always during the season.

Bring on 2011 – Go Rovers!

JUNIOR PRESIDENT'S REPORT

2010 was an excellent year for Hampton Rovers Juniors, with a number of teams competing in finals and two premierships being won. Most importantly, the club provided an environment for boys and girls to participate in our great game, all the way from Auskick to Under 17.

Teams

A total of 386 kids played football in across our 16 teams in 2010, including four Under 9 teams all the way through to Under 17. It has been particularly pleasing to see 2 Under 14, 2 Under 15, Under 16 and Under 17 teams field in 2010, which should provide an excellent platform for later years.

Our Under 10 and Under 12 groups fielded just one team this year, which provides the club a challenge to improve our representation in those years.

Our Auskick program broke the 200 children mark this year, with 205 registrations covering Kinder to Grade 2.

Finals

All of our Under 9 and Under 10 teams participated in the Lightning Premierships at the end of their season, and all teams had at least one win.

Our Under 13 West, Under 14 Division 1, Under 15 Division 1 and Under 15 Division 3 teams participated in the finals. The Under 13 West and Under 15 Division 1 teams were successful in winning their premierships, which was a great effort. The Under 14 Division 1 team made the Grand Final, going down by a couple of points in a thrilling encounter. The Under 15 Division 3 team made the Preliminary Final, and had a great year.

MSJFL News

The club was very excited to see 2 of our players win their respective best and fairest awards - Martin Ho for Under 14 Division 1 and Alex Whalebone for Under 16 Division 1. A number of our other players were in the top 3 for their division – congratulations to all for their efforts.

The Rovers were also exceptionally well represented in the MSJFL representative sides for 2010. A total of 20 Hampton Rovers boys represented the MSJFL across Under 13, 14 and 15 competitions which was a great effort.

Social

This year saw a renewed social focus from the Junior Committee, culminating in the Junior Committee coordinating – in conjunction with some hard working social committee members – the 2010 Gala Ball which was a huge success. Another highlight of the year was the hugely successful Junior Trivia night which was attended by in excess of 100 very excited kids between Under 9 to Under 12.

Committee

The coordination of all the activities of 16 Junior teams as well as a busy Auskick program requires the commitment of a number of hard-working people on the committee. The committee saw a significant changeover of members in 2010, with only four returning members from 2009.

Annie Westhead worked tirelessly as our Secretary as she has done over a number of years, providing great support, advice and leadership to the team.

Paul Bowden stepped into the breach as our Vice-President Football after Brett Yorgey needed to withdraw early in the year. Paul led the coaching and football front of the club with passion contributing countless hours to the cause.

Peter Casey – Vice President Admin - contributed significantly to policy and process issues and at the board level contributed on all fronts.

Cath Champion lead the Team Managers, returning to the Junior Committee from the Senior Committee in 2010. Cath did a great job coordinating and looking after all of the Team Managers.

Other committee members all contributed to the team effort of 2010, with Gill Maddern (Social), Steve Morris (Finance), Chris Toulli and Shane Oswald (Sponsorship), Chris Pryde (Grounds Allocation), Paul Carrigan (Auskick) and Stephen Spiers (MSJFL Rep).

Other people not actually on the committee, but who contributed significantly included Kathy Sturgess (Property), Andrea Maglio (Photos), Jane Chadwick (Salvation Army Appeal), Jeff & Jodie Brown (Wine Raffle), Jan Speris, Gavin Sharp and Susan Ferrier (Social). Without the significant efforts of these people the club would simply not function (and if I have left out anyone, then please forgive it was not intentional!).

Best Junior Clubman

My personal congratulations go to Marina Stevenson who deservedly won our best clubman award this year. Marina has been active in the club as team manager across a number of teams as her boys have graduated through the various age groups. Her tireless efforts have been hugely appreciated and she was a deserved winner in 2010.

**Coaches and Team Managers**

The effort to put 16 teams on the park each week requires the assistance of coaches, team managers and lots of parent assistance each and every week. There are too many people to mention here, but my thanks goes out to each and every one of you – you know who you are.

Sponsors

A club such as the Hampton Rovers cannot provide the opportunities to our kids without the vital support of all of our sponsors – from a junior perspective, the various Jumper sponsors and Match Day awards sponsors are critical. Many thanks goes to each and every one.

I wish all of our members and players best wishes for the off season, and look forward to see you all back in 2011 for another great year for the Rovers.

From humble beginnings the U17 side turned out to produce some quality football. Although at times the commitment of the boys was questionable, for those that chose to apply themselves, they saw some major improvements.

As a lot of the players had never really played together before, it took a few games for them to understand each other and what their strengths and weaknesses were. After a few hefty losses, the boys rose to the occasion in round 8 and registered their first win. Although the first half of the season was a tough one for the boys, Kyle and I saw great improvements from week to week from most of the players.

The second half of the season proved to be much better than the first. The boys were competitive in every game and finished with 4 wins for the year. The morale amongst the group remained high throughout the year which was important and that is mostly due to our leaders, Josh Pavlou, Mat Care and Christian Henry.

I hope that all the players continue to play again next year, It is extremely important for the senior club to filter the junior players through and keep them involved in the club, if we wish to push forward. Hopefully I can run out amongst some of the boys I have coached in the not too distant future.

I'd like to thank Steve O'Reilly for a tremendous job as team manager. No task was too big for Steve and he made my job a much easier one. I would also like to thank Tony Gale, Adrian McCarthy and Phil Seymour for their efforts as boundary and goal umpires, and to the parents that turned up every week and provided support to the players. Congratulations to the trophy winners and to all the players for their contribution this year. I hope to see you in the green and gold again next year.

After several years of winning games and featuring prominently in the Finals, the Under 16 Division One side had a tough year in 2010. In hindsight, perhaps we were a victim of our previous years' success, as most of our best players were consistently unavailable for selection due to commitments with the Sandringham Dragons and for School 1st XVIII sides. More often than not, we had no Interchange Bench and frequently ended games with less than 18 fit men. This unavailability had a flow-on effect at training where numbers were rarely in double figures. In consequence, we finished 5th and were well off the pace set by the best teams in the competition.

There were several highlights throughout the year, including:

- The introduction of several new Players to the Rovers
- A tie and some very narrow losses
- A handful of thumping's, one of which exceeded the dreaded 100 point mark
- Some spirited victories
- The maintenance of the famous Rovers' never-say-die attitude, even in the face of adversity

Congratulations are in order to:

- Team Leaders Alex Whalebone, Alex Shulman and Tate Crampton, all of whom were voted to their positions by their peers
- Best and Fairest Winner Alex Whalebone, who also won the MSJFL Under 16 Division One "Brownlow Medal"
- Other Award Winners – Runner Up in the B&F Josh McPherson, Most Improved Player Lach Mirams, Coach's Award David Nash and Most Determined Player Harry Sumpter.

Many thanks to the army of Parents who assisted with our team this year, especially Andrew Mirams and David "Fester" McPherson, who assisted through our the year and took over the reins for 3 weeks (for zero wins!) mid-season whilst I was overseas. Fester was clearly the best Runner in the Under 16 Division One and Andrew's efforts and dedication to extra skills training sessions were both generous and much appreciated.

Many, many thanks to Judy Robinson and Virginia Tonc who shared the Team Manager role and also to Tim Michaelides who was our Team Medical Officer.

I loved coaching the boys this year and have volunteered to do so again next year. I do hope the boys enjoyed playing as much as we Parents have done watching them mature ... I can assure the boys that we were all mighty proud of their competitive spirit, which should hold them all in good stead.

The U 15 DIVISION 1 side enjoyed a most successful year culminating in winning the grand final against an undefeated East Brighton. There were plenty of highlights for the year starting in January with players meeting at Dendy Park for light preseason training. This wasn't compulsory but an opportunity for players to work on fitness and general skills. It was also a great chance for the parents to get to know one another at the bbq's to follow.

We were fortunate enough to acquire four new players from **Northvale** as they had disbanded, and 3 from our Division 2 side. This was opportune as we had lost 8 players from our 2009 team. We also had a recruit from NSW that managed to play 4 games , enough to qualify for the finals.

There were a few memorable games with the first being an 80 pt win against last year's premiers, East Sandringham. We also had a come from behind win against EAST Malvern with only 16 fit players, to win on the second last kick of the day ,was unbelievable.

We lost to East Brighton by 5 and 8 goals throughout the home and away season and we were smashed by 72 pts in the second semi final. However we never once lost hope that we not up to the challenge.

A narrow win against a gallant Oakleigh Dragons in the Preliminary Final gave us another opportunity to play East Brighton, the following week in the Grand Final.

We were 17 pts down with 6 minutes to go in the final quarter and with a tremendous team effort were able to win by 8 pts!

This was undoubtedly a highlight of a lifetime not just for the year.

Several lunches and get together's after games were the foundation for great team morale and building confidence within the group.

The monthly dad's dinners were nothing short of memorable.

Congrats to all players on a fantastic year with special mention to C. SALEM and M Hooy on state selection and L Verma on his runner up in the MJSFL.

To all the boys, thanks for a wonderful year watching u develop as a team and individuals was probably my most pleasing aspect as a coach.

A special mention to Michelle and Ken Smith on their tireless video analysis and team managerial role.

Thanks also to Tim Jones- running and all the other parents that had involvement with weekly duties.

2010 has been etched in my memory for the continual improvement in all players and the fantastic team effort in the Grand Final.

All boys were fantastic contributors in an amazing game of football.

Overall the season was a success in terms of the objectives we set ourselves. Specifically those objectives were for the boys to play to the best of their ability as a team and as individuals by improving their skill, fitness and teamwork. By and large they enjoyed their footy and their friendships.

The boys were given an opportunity to play in a number of different positions throughout the season which was a good opportunity to learn and apply new skills. They will further benefit in future years from that experience. Equally, most of the boys were given an opportunity to kick goals and nearly all did.

We had a large squad of 27 players and it's fair to say each boy managed plenty of game time throughout the season, where for most weeks we really had about 22-23 players which is about ideal, however it became a bit harder by way of managing rotations and game time in the 2 finals matches where we ended up with 9 on the bench each week.

Whilst we finished 3rd on the ladder and beat the ultimate premier once throughout the season and lost to them by 1 point in the 2nd Semi, it is fair to say we had our opportunities to finish 1st or 2nd however were beaten by a better team on the day in both finals games. We did however stress to the boys to learn from the experience and apply the learnings the next time they perform on the 'big stage'.

From a coaches perspective it was a terrific experience to coach such a wonderful group of boys, many of whom have played for the Rovers for 5 or more years and equally to coach those who recently joined the club who we tried to make feel very welcome.

Thanks to Forbes James, a terrific Assistant Coach and Carolyn Williams Team Manager and all of the parents and Club Committee for the fantastic support afforded to us.

I am very proud to have made a contribution to such a fantastic club.

The Under 14 Division One side enjoyed another strong year in season 2010. The boys were victorious in thirteen of the fifteen home and away games and won through to the Grand Final eventually finishing second in a very strong competition.

There were several highlights among our performances throughout the year, including:

- Some strong wins against all of the other top sides
- A courageous and skilful narrow loss to East Brighton with 16 players on the field for a quarter in the Grand Final .
- Some fantastic team oriented play, with boys adhering to team rules
- The services of our specialist coach Paul Carrigan.

While the boys have had plenty of success over their year in football, this year we had some unusual challenges, which were met head on. Ironically, selections in representative squads from MSJFL, (7 representatives from our team) and additional APS school comp commitments put an unusual strain on availability and recovery; however the team coped really well with these circumstances; something I was extremely proud of.

Without singling out, I'd like extend my congratulations to every player for the way in which they accepted the seasons challenges and progressed with their wonderful football journey – a wonderful effort by all and a lot to look forward to next year as a terrific skilful team. A message to the whole team – We (the parents) all love watching the way you play the game!

A special mention requires to go to Marty Ho for winning the competition, and Team, Best and Fairest.

Thank you to all of the parents for their contribution throughout the year, especially Shayne Oswald and Row Currie for their friendship and support in guiding the boys. Also, my thanks to Marina Stevenson for her efforts as *Team manager*, and also to Pauline, Jayne, David, Paul, Ron and Andy for the terrific Pics.

I am sure I have forgotten a few thank you's, but thanks to everyone or being involved in your sons footy.

Coaching the boys has been an absolute pleasure and I look forward to watching them progress in coming years. Here's to another enjoyable and successful year in 2011.

The season opener was our only win but what a win I think by about 60 points. The players showed considerable skills and endeavour to fight out the season.

Most opposition teams being taller in size and seasons of experience narrowly beat us, and of course one dubious goal opp's sorry point.

I really felt that by the end of the season players were learning to contest and never give up. Some of the patterns of play were outstanding to watch and I feel every player should be satisfied with the team's performance.

I hope for next year that players set themselves goals of attending training regularly and concentration in skill development.

The Under 13 South Rovers team had a year that in the end proved what a strong group of boys I was fortunate enough to coach.

While success may have eluded us on the field the determination and never give up attitude of the players was always at the forefront of the team.

The team had a poor start to the season when a couple of players departed which made the remaining players strive to work harder and work harder they did.

The team struggled with numbers all year and many times we could not field a full team but on the bright side no player was dropped and every player always got a full game.

The team highlight for me as coach was the way all the boys went about their football week after week in the face of a tough opposition and even when the scoreboard was against us they kept on tackling and playing well until the final siren.

I would also like to thank all the parents for helping out, especially Dianne for her tireless work as manager.

Let's look forward to a better year next year.

What a great start it was to our coaching careers, when we got the chance to coach the under 13 West Hampton Rovers side. We knew we had a fantastic opportunity of having a great year filled with great fun and memories when we took on the job. It was a new experience for us as coaches and for the players to have young senior players coaching them instead of parents. As we all know, we did have the perfect season by beating East Brighton in the Grand Final, however it wasn't as easy as it looked. At the start of the season the boys were still trying to find their feet, and we as coaches were still trying to figure out how it all worked.

For the first half of the season we never really had a full strength side in, but this gave a wonderful opportunity to all players to step up when needed. The turning point in the season was when we gave the players a 'players review', in which we concentrated on what each player is valued for as a team member. We had a few pointers as coaches on what we thought they could work on to become better players. We monitored this as coaches and we saw in every player improvements in many areas, whether it was tackling, talking or even 3rd and 4th efforts. This created the boys to become better players, and we are confident this will continue through to 2011. This showed through into the final series as it all clicked together. Every single player did their part which eventually ended up with us becoming the Premiers of the under 13 West.

This season consisted of many great memories some of which are:

- An undefeated 2nd half of the season
- Some awesome goals to both Dec's and Matty
- The turning point of the season with a close win against Oakleigh and Lloyd sneaking a few crucial goals at the end
- The great plays that consisted of the ball going from one end of the ground to the other without the opposition getting their hands on it, which showed the class of the team we have.
- And who could forget that amazing team effort with 22 contributors in the Grand Final win over East Brighton who had beaten us twice during the year, but we did it when it mostly counted.

This year could never have been as successful as it was without the help from all the parents. You have made our job as coaches so much easier and we thank you for all your help, and I hope to see you ready for 2011.

This year hopefully has been a year where the boys have learnt some of the skills and leadership that we as coaches have been given through our years of being involved at Hampton Rovers. We believe that every player has the ability to become a great player at Hampton Rovers and that there will be many more years of success. We as coaches have become really good friends with our bunch of kids and are looking forward to 2011 as we go up to the top division where we will have more memories and even better times, and you never know, we could even go BACK to BACK.

SEE YOU IN 2011!

The under 12 West team had a challenging year that saw marked improvement during the second half.

The season began with the two under 11 sides from 2009 combining into one super team for the under 12's in 2010. With thirty boys on the team unfortunately this meant six players were rostered out each week. As a consequence it took the guys a little while to gel as a team and our early results reflected the situation.

As the season progressed the team started to come to grips with the standard of play and determination required to compete at this level. The defensive efforts of the team especially were improving and we were also getting closer on the scoreboard. A win was only just around the corner.

The final month of the season saw some new tactics introduced and a more settled line up. We were able to break through for our first win of the season against Bentleigh and then followed this up the following week with a gutsy win over AJAX on a very wet and cold afternoon at Boss James. The team really deserves congratulations for competing hard all year and sticking to the task at hand.

Well done to our joint Best & Fairest winners – Mac Gray and Tom Burns – who showed the way all year on the field. Congratulations must also go to our other deserved trophy winners: Massey Parker who earned the Coach's award; Andrew Woolsten – a worthy runner up in the Best and Fairest and Sam Morris who took home the Most Determined trophy.

A huge thank you to Linda Parker who Team Managed our group this year. Her efforts and organization certainly made our job as coaches much easier. Also thanks to the large group of willing parents who performed all of the game day tasks necessary to run the team smoothly.

The club is really keen to try and get back to two teams at this age level next year. We all need to recruit hard to make this happen.

We look forward to seeing the boys continue their football development next year and beyond.

The Under 11 West side enjoyed a very competitive year in season 2010. The boys were victorious in six of the fourteen home and away games and missed the finals finishing in sixth place in a very even competition. In reflecting on the year, I felt we perhaps deserved to be 8-6 that would have sneaked us into the finals.

There were several highlights among our performances throughout the year, including:

- Our first win by 2 points (after losing the first 3 games) against the team (East Malvern Whites) that would go on to win the flag. I note the quote from the coach of East Malvern White suggesting that we were "the best team we have played, the hardest running team that applies relentless pressure", a quote repeated the second time we played them;
- Our first opportunity to play on our MCG on Boss James Reserve against Prahran, where I just remember walking away from the game thinking that was a real high quality game of football where we had 22 contributors;
- An inspirational win against Beaumaris in difficult wintery conditions to keep our self belief and finals dream alive; and
- A terrific final game of the season where we had our best win on the back of applying all the key elements of our team rules.

At the start of the season we drafted a list of team rules that I asked the boys to stick above their bed. The intent was to reinforce to the players throughout the year, fundamental rules to apply during games that they understood and began to do without instruction. This led to some fantastic team oriented play, and in particular the boys adhered to the team rules of giving to 1st option when under pressure, run and carry when clear and running hard defensively when the opposition have the ball. As a team we need to set ourselves the objective to continue to improve our team play and individual skills, and to play finals footy which would be great experience for the players to share.

Thanks to Brett who really encouraged me to take on the role of coach, and was great support whether at training, match day warm-up, as runner and facilitating team rotations. It was great just to have somebody of Bretts calibre and passion for the game to bounce ideas around with. My first decision as coach turned out to be my best decision in appointing Monica Campigli the team manager who devoted her time and extra effort make things run smoothly during the week and on match day. Thanks also to Jamie Smart for being one of the more over qualified trainers (and fill ins Kirsty Larkworthy and Jayne Smart). Gareth Adams provided insightful observations as well as John Campigli for well composed match reports (a must read come mid-week), not forgetting his half twist, half pike somersault effort whilst evading the ball in his stint as runner. Congratulation to all our ward winners with special mention to Seb Williams and Finn Campigli for B & F and runner up B & F respectively (for the second consecutive year) as well their top-6 finish in the league B & F.

The season culminated with "an evening with the Roberts" as well as a movie (Karate Kid) and dinner with the boys the next day. The season came and went very quickly, and there is definitely a void in the weekends without the boys footy. . Coaching the boys has been an absolute pleasure and I look forward to watching them progress in coming years. Bring on 2011!!!.

Go Rovers!

The under 11 Gold boys had a year of fantastic improvement. Having limited 'scoreboard success' in their previous 2 seasons, the team rallied to win 6 games for the season, including 4 on the trot mid-season. A couple of other games certainly could have gone either way. This was despite losing a couple of our key players pre-season to soccer. Hopefully they will see the light, and return for season 2011! One of the true indicators of the team's improvement was turning around a 58 point loss to Ajax in round 1, to an 11 point victory over them in round 10. Ajax ended up as runner up in the premiership.

All of the boys played in great spirit, and their sportsman like conduct, whether after a win or loss, was always a credit to them. I think some of the parents had a few more grey hairs at the end of the season, after the lads put us through a few nail biting last quarters, but what impressed me so much was the entire team's attitude to never give in until the final siren, regardless of the score.

After an enthusiastic pre-season, the team gradually began to stick to a game plan, and throughout the season, looked more and more like a real team.

They certainly embraced their first year of tackling, and were the equal of any team in our division in this department.

Every team has its stars, and ours was no different, but most satisfying was the contribution right across the board. Enthusiasm is infectious, and if an award was given for this, it would have been virtually impossible to choose only one winner. Towards seasons end, we were able to let players spend a little longer in set positions, which resulted in some great individual performances.

All in all, we had a most satisfying year which gave all the parents much pleasure to watch. We ended the season with a fun pizza night, which really showed the boys had become a close unit. If they stick together, and continue their hard work and rate of improvement, I have little doubt they are bound for bigger and better things, and I for one, am already looking forward to next season.

Thank you to all who helped through the season, particularly Rebecca and Marina for being tireless team managers, and all the mothers and fathers who helped with match day and training duties.

Go Rovers in 2011!

The Under 10 team comprised of 28 eager young players from five different schools. Due to the large number of players in the team, four players were rostered off each game to enable 24 players to get a least 3 quarters of football per game. Each player had a quarter in the back line, through the centre and in the forward line to enable them to experience playing in different positions and give each player the opportunity to kick a goal. At the first game, our side was a little shell shocked and overwhelmed against Prahran, a more experienced and taller side. In the first half we were happy to watch the opposition get the ball rather than trying to get it ourselves. The team desire for the ball increased in the second half, however we were overrun by a more skilled and disciplined side. After the first game, while it was obvious there was a fair bit of work to do, the team looked very promising.

As the season progressed the skills and determination of each player developed rapidly. The younger and smaller players began to shine and the individual players began to work as a team. While the team generally took a quarter or two to get going they generally finished very well. The teams highlight was in round three against Mordy Braeside. The level of hand passing, and teamwork was the best ever seen for the season, with every player contributing, and seven individuals scoring goals.

Over the season, under 10 West unfortunately only won the one game. There were great quarters of football played however, we were unable string a series of good quarters of football together in one game. The team was also very unfortunately not to win a game in the lightning premierships. In the first game, we had most of the play for the majority of the game, however was unable to convert kicking 5 points. We unfortunately were beaten by a point with the opposition kicking a goal with 30 seconds to go in the last quarter. The coach did however attempt to artificially enhance the players in the last 2 games with snakes and cordial before the game but it was to no avail.

Over the season the player's skills developed remarkably, which was due to the determination and hard work each player put in at training. Despite coming from different schools the team combined very well and they should be very proud of their achievements and the friends they have made.

There are always many people behind the scene who assist in the running of a football team.

I would like to thank my team manager Peter Jolly who and did a fantastic job in co-coordinating the games, and organizing the specific duties each week. I would also like to thank the trainer, Louise Taylor; Phil Chadwick who ran the boundary each week and; Glen Ferrier, the runner, whom I had constantly running into the back line to get the players to stick on their men. I would also like to thank all parents whose encouragement and assistance was fantastic all season

2010 was a terrific year for everyone associated with Hampton Rovers Under 9 West. Once again, we were blessed with a wonderful group of people full of sportsmanship and support and we had an amazing bunch of wonderful kids, all as keen as mustard, willing to listen and learn, and raring to go.

We had a team completely made up of St.Mary's boys with 10 having played last year and the other 11 boys playing their first year of footy. As would be expected with them all being school mates, they bonded together beautifully and every training session and match was full of enthusiasm.

Every boy improved dramatically throughout the season. 15 out of the 21 boys kicked a goal, every single boy managed to get more than 1 kick, nearly every boy took a mark and most importantly, all 21 boys had fun.

I think the highlight for the season was our 2 point victory over East Sandringham in the Lightning Premiership (thanks to a stunning goal from the boundary line with seconds remaining!), after having been defeated by them by the same margin earlier in the season. The rendition of "Oh We Do Like To Be Beside The Seaside..." was deafening!

Trophy winners were:

- Best & Fairest - Miles Bergman
- Runner-up - Tom Maginness
- Coaches Award - Alex Grinter
- Most Determined - Oscar Buscombe
- Most Improved - Marcus White
- Best Finals Player - Olly Bytheway

Congratulations to all the boys who were just fantastic and a joy to coach.

I must say a special thanks to Tim for doing a wonderful job in his thankless role as Team Manager, Linda for being our trainer and a calming influence on the sidelines, Brendan and Sam for their excellent job as runners, Adam and Ross for their on-field coaching at the beginning of the season, Pete and Paul for their boundary umpiring, Nigel and Niall for their goal-umpiring, Belinda and Nicole for taking such wonderful photos and everyone for their support, encouragement, barracking and for producing these sensational kids!

It has been a pleasure coaching these wonderful boys and I am proud of them all.

For 2010 our U9 boys enjoyed a good season, with some very exciting wins and a few 'honorable' losses against some of the form sides in the Division. With such a young group of boys, it was incredibly pleasing to see the transformation from the beginning of the year, where the boys were all trying for individual glory, to finishing the season with a genuine 'Team' of footballers, working together for a result.

The boys finished with seven wins for the season but more importantly, their skills improved enormously over the 12 games they played. We rotated every quarter and the boys all had ample time in every position on the ground. They learned to appreciate what was required in the different positions. In fact, many of them had stated at the beginning of the season that they wanted to play forward (surprise, surprise...) and by the end of the 12 games, many had happily changed their minds as they discovered their skills often suited different positions.

There were many highlights for the year but a few spring quickly to mind:

- A very exciting 2 point win at the tail-end of the season against a hard-charging St Kilda – coming from behind and having been out-played most of the game, they boys simply dug deep and never gave up.
- Their good sportsmanship after a close, heartbreaking loss against a fancied side where there was abuse hurled at them all game and some 'decisions' made (that in their eyes) cost them the game. The boys just kept at it and played great football. Whilst they may have left the ground with a loss, they knew within themselves, they were the better team
- As the season progressed, their ability to link-up and run the ball with numbers.
- Shepherding, shepherding, shepherding – it's great to see U9's protecting their teammates
- Whilst often very slow to get started in a game, the boys became renowned for their ability to come home with a second half surge. We quite often witnessed games of two very different halves!
- Some of the most courageous 'little' players I've ever seen, never scared to take on some of the biggest U9 boys.

As I mentioned earlier, probably the best part about coaching such a young group of boys was to witness the amazing change from the beginning to the end of the season. The teamwork by the end of the season was improving but it was the shepherding and the handing-off to a running teammate that really impressed. These are things not often seen in U9 games.

Whilst the boys were always very excited when coming away with a win, I think both myself and the parents were far more excited when they linked-up and played genuine 'team' football – it's wonderful to watch.

The boys were really starting to gel by the end of the 12 home and away games and were looking forward to the Lightning Premiership. While they didn't fare as well as they would have liked, they did take, arguably the top side (who thrashed them earlier in the season) to a real nail-biter, nearly getting the win. It was one of the best games I've seen from such a young group of boys. All the parents could see afterwards, while obviously disappointed, the boys themselves knew they'd come a long way as a team and had played good football.

We enjoyed great support from the parents all season and we had a wonderful group each week helping out – Katie Murray, Matt Larkworthy, Pete Flockart, Al Maddern to name but a few and of course my wife Miranda for doing a fabulous job with the management duties.

Being my first year as a junior coach, I think my learning curve was as steep as the boys under my care but it would be fair to say we all had a great season. Our focus for the season had always been on improving the boys individual skills but to play the game for each-other. Even more importantly, was for them to enjoy playing the game.

We asked the boys who wanted to come back and play next year – every single hand shot straight up without hesitation!!

It was a privilege to be involved with such a talented, polite and enthusiastic group of boys - I'll be watching their progress over the coming years with great interest.

Looking forward to next year.

After a very strong pre-season registration, Hampton rovers were able to form 3 (and later a 4th) under 9 teams and once again I found myself in a coaching position. This year however I had the previous years' experience to learn from and so I set about the year with 3 main aims,

1. Work on some of the basic skills (kick, handball. Mark, etc)
2. Develop some teaming skills including attachment to a club environment and
3. Make the game as enjoyable as possible with the aim to bring kids back next year.
- 4.

Again we had a bunch of new kids meeting for the first time about 2 weeks prior to the first game but once again it was clear that they were good kids with some good skills and good attitudes. I made a point this year of trying to get to know the kids names as early as possible and also many of the parents.

Our first game was away and we managed a pretty good win – the kids were fantastic and the parents were excited but unfortunately not many of us knew the club song so early in the season so we all had a great laugh and promised we would remember it for our next win.

Throughout the remainder of the season we had some great results and some very honourable losses. Eventually we ended up with 7/5 record. We all knew the club song pretty well by the end of the year.

A couple of highlights: The developing team work around mid-season where the boys started really working together and looking for each other with handballs and shepherds,

An absolute smashing (to us) by the eventual lightening premiership winners (more on that later)

A great win against our (new) traditional rivals – Brighton Beach- at their home ground where we kept them goalless (they had beaten us earlier in the year)

Lightning premiership: With our 7/5 record in the regular season, the draw in the LP meant that if we won our first 2 games, we would make it through to the semis irrespective of our performance in the 3rd game. We won our first 2 and so the 3rd game against Highett (who flogged us earlier in the year) was inconsequential. But nobody told the boys. They came out and played the game of their lives and although we eventually went down, it was only by a couple of points. We actually outscored our opponents in the second half and one of the boys took the opportunity to kick his first goal for the year – a towering torpedo that went on forever. The reason I detail this game is because it shows how far the team had come from the first time they met to a real football team about 3 months later. They took this spirit and endeavour into the semis but unfortunately we went down by 1 point – another great effort.

Thankyous: Anyone who has been a coach before knows the importance of having good people around you and once again I was blessed with some great helpers.

Nadine (Nod) Preston who took on the manager's role and did it magnificently. It was a great comfort to know that all I had to do was turn up on the day and the necessary arrangements were all taken care of. All the parents who took their turn for goal umpire, boundary, snake/lollies/orange and scoring duties and for turning up those cold early mornings and late dark evenings for matches and training. Special thanks to Frank and Augusta, Marty and Nirma, John and Lisa, Andreas and Julia, Anthony and Lisa, Adrian and Melissa, Mil and Megan, Pacey and Taanya, Don and Michelle, Phil B and most of all Nod and Phil P for your assistance at training, on match days and in strategy meetings on Friday nights. The under 9 Colts played their first season of footy. Most of our boys were 7 years old and fresh out of Auskick (although half were actually doing both Auskick and U/9 on the weekend). Many of their games were against boys who were as old as 9 (some looked about 15) and had a full season or two under their belt. None of this dampened their enthusiasm (or the parents) and both Paul Lohan and I had a great year coaching the kids.

At the beginning of the year it was obvious that there were a few boys who already knew the basics of footy such as how to kick, mark and the position they were in and many who were just learning the rudimentary elements. By the end of the season the skill levels of all boys had jumped tenfold. They were indistinguishable from the kids who showed up to their first training session.

As the babes of all the U/9 teams the really pleasing aspect was seeing them gel together as a team and a real hunger to play. The attitude from all the boys (and parents) was terrific and they were so cooperative it made the coaches jobs very easy.

We employed a rotation policy with positions as most junior teams this age do and this really helped the kids get a feel for all positions on the field. It worked especially well in the Lightning Carnival at the end of the year when several players kicked their first goal for the season.

Special mention to Lachie Carrigan who won our Best and Fairest. Also a big thankyou to our team managers Jan and Genevieve who organised everything there was to organise.

Paul and I look forward to next season with a bunch of kids a year older, bigger and who can't wait to play more footy.

AUSKICK

Hampton Rover Auskick had been threatening breaking the 200 registration barrier for the past three years; in 2010 we finally broke new ground with 206 participants.

There were several highlights along the way and as always the smiles on the children and their parents made the time and effort all the more worthwhile.

Before I discuss the highlights I wish to acknowledge the wonderful impact that was experience via the hard work of Carlie Ryan, Carlie doesn't have a child at the centre but was always the first to arrive and the last to leave, Carlie would put in 12-15 hours a week into Auskick and will be greatly missed in 2011 as she is exploring other ventures, Good Luck Carls and thank you for your efforts in 2010.

- Two Friday night sessions were held that proved to be a huge hit with children plying their new found skills and the parents getting a feel for the social side of the Rovers hospitality.
- Weekly Auskicker of the Week and Coach of the week interviews and photos in the weekly Blog.
- With the increase of active players we needed an increase in volunteers, and coaches came from near and far, we had 23 coaches in 2010 up from 13 the year before and the work load was shared across the park and it ran very smoothly a huge thank you to all coaches in 2010.
- Steven King from St Kilda FC visited us in June and he was a huge hit with the kids, 'Kinky' was fantastic and very willing to get down and dirty with several photos being taken and autographs sought.
- Steph Thornborough and Tiff Griffin presented the children with amazing photos so they could remember their experience, thank you ladies!
- Similar to 2009, A dedicated Auskick presentation day was held on the final Auskick day in late August where each and every active participant was presented with their Auskick medallion, certificates and (if ordered) photographs.
- Specialized coaching was offered each week to the young ladies that do not wish to play in the grid game.

All in all, we had a great year, which would not have been possible without the active input of numerous volunteers who are too many to mention, but who know they were appreciated.

On a personal note I wish to thank my wife Julie for her constant support, Bourkie, Jacko & Vota for their support always.

2011 is just around the corner and HRAFC Auskick will be back bigger and better than ever.
