## SAFE TRANSPORT POLICY

---

### Rationale

This policy aims to provide a basis for the responsible use and/or non-use of alcohol by the Hampton Rovers Football Club and to avoid any incidents as people travel to or from the club and its events.

The Club understands and accepts its responsibility to the safety of our members and friends. The following requirements will apply when alcohol is served, either at the club or during a club function.

- Bar staff shall encourage members and visitors to make alternate safe transport arrangements if they are considered to exceed .05 blood alcohol concentration (or .00 if probationary driver)
- Telephone calls will be made free of charge to arrange a taxi or other transport
- Contact telephone numbers for taxi services will be clearly displayed
- In specific cases, where a designated driver nominated by the club has accepted the responsibility to drive others home safely, the club will provide non-alcoholic drinks and bar food free of charge
- Bar servers will be provided non-alcoholic drinks free of charge by the club (only for club bar staff)
- A key register will be implemented

### Who is affected by the Policy

This policy applies to all members, administrators, officials, coaches, players and visitors of the Hampton Rovers F.C.

### Timing

This policy was accepted with 'nil' objections at the February 2014 Board meeting and is effective from 01/04/2014.

### Policy Review

The policy will be reviewed three months after its introduction and then on an annual basis thereafter. This will ensure that the policy remains current and practical.
